DU PEF

University Diploma "Préparation aux Études en France"

Preparation for Studies in France

Learn French where Brittany meets the sea

Your pathway to higher education in France

An ideal place to learn

A welcoming, multicultural international campus, dynamic and interactive teaching, daily linguistic and cultural immersion, and classes by the water's edge.

Brest, a vibrant student city

A lively university town with plenty of places to enjoy life and green spaces, and a rich programme of cultural, musical and tourist events.

An exceptional natural setting

Close to Brest harbour and the sea, with coastal paths and unspoilt landscapes: hiking, sailing, walks...

Start dates 2027/2028

SEMESTER 1

Monday 13 September 2027

SEMESTER 2

Monday 3 January 2028

Two guarantees of quality

Label FLE (Qualité Français langue étrangère): the official French State label. It rates five areas, shown by the stars on the logo: courses, teachers, welcome, premises and management.

Groupement FLE: a network of French-language schools in France committed to quality teaching, welcome and support for international students.
