SUMMER SCHOOLS 2027

SPEAK FRENCH. THINK GLOBAL. LIVE BRITTANY.

2 programmes
1 unforgettable summer

Three weeks of French lessons, real-world projects and sea air on an international campus near Brest.

PROGRAMME 1

Boost your French, discover international business!

Build your first business project and meet the French marketing community, in English. ISUGA Business School trains business developers for international markets, especially in Asia and Europe.

In collaboration with ISUGA Business School

10–29 June 2027 (provisional)
€2,300 excl. accommodation

PROGRAMME 2

French + Sciences and Technologies of the Sea

From seaweed and shipyards to tidal power and sustainable fishing: explore marine science, technology and engineering through workshops, laboratories and company visits across Brittany, and finish with your own oral presentation.

In collaboration with Campus France

17 June–9 July · €2,050
9–27 August · €1,950
Excl. accommodation

Is it for you?

✓ **Undergraduate students** curious about marine sciences or marketing

✓ A desire to **discover Brittany**

✓ **B2 English** required, **beginner French** welcome

✓ **Max. 10 students** per class
