## Why take the DALF? (Diploma of French language studies)

As for the DELF, the **DALF** is an official **French language qualification** which certifies the level of French of foreign candidates. It is issued by the French Ministry of Education through the CIEP and it is **valid indefinitely**.

It consists of tasks which **test the 4 skills**: oral comprehension and expression, and written comprehension and expression.

The DALF validates the higher language levels defined by the Common European Framework of Reference for languages (CEFR)

**The DALF (C1 or C2) exempts the candidate from a language level test for entrance to a French University.**
